IT'S ALL ABOUT DESIGN...

Welcome to the world of Calleija where you will discover the most exceptional collection of Argyle Pink Diamonds, brilliant white diamonds and precious gems. Inspired by the beauty of exquisite jewels, each piece is individually designed and sketched before being skilfully handcrafted by our in-house master jewellers.

Our sought after pink and coloured diamonds are some of the rarest in the world and the passion we have as a team for creating bespoke designs to complement their beauty is unrivalled.

With three stunning boutiques – Marina Mirage on the Gold Coast, The Westin in Sydney and The Royal Arcade on Old Bond Street in Mayfair, London – Calleija is synonymous with international diamond design and distinction.

*True passion is forced through a dream and a desire...
all of which can be found with this collection.*
