RING SIZE SCALE

FINDING YOUR RING SIZE

When printing this page, please confirm the size is correct by using our guide on the right.

Measure the inside circle of a ring that fits you comfortably and match it to one of the sizes above.

If your ring is between two circle sizes, we recommend adding half the size of the smaller circle. If you have any questions, please contact us. We are more than happy to assist you.

IS THIS PRINT OUT AT THE CORRECT SIZE?

Ensure that the above ruler measures 60mm (6cm)
